1 General Information

- 1.1 This edition "Tariff Regulations 01.08.2010" replaces all earlier versions.
- 1.2 All other services, not mentioned hereafter, will be charged separately.
- 1.3 Airport charges
- | | | |
|---------------------------|---------|---|
| - Landing charge | Annex A | |
| - Approach charge | | |
| - Noise surcharge | Annex B | |
| - Passenger charge | | |
| - Aircraft parking charge | | |
| - Ground handling charge | Annex C | - |
| - Surcharges for services | | |
| - Other services | Annex D | |
- 1.4 For towing aircrafts, powered gliders and helicopters the same charges are applicable unless other charges are stated.
- 1.5 The charges shall be paid:
 In case of scheduled and non-scheduled commercial flights by the company that actually carries out the flight.
 In case of non-commercial flights by the operator of the aircraft. Several operators of the same aircraft shall be jointly liable for the charges; in the event that the operator is not also the owner of the aircraft, both the operator and owner shall be jointly liable for the charges.
- 1.6 All published charges are listed without VAT (unless listed).
- 1.7 Airport Altenrhein AG has the authority to change the applicable charges without prior notice.
- 1.8. Official operating hours of Airport St. Gallen-Altenrhein:
- | | | |
|---------|-------------|----------------|
| Mo – Fr | 0630 – 1200 | 1330 – 2100 LT |
| Sa | 0730 – 1200 | 1330 – 2000 LT |
| Su | 1000 – 1200 | 1330 – 2000 LT |
- Special permissions required for flights outside of the regular operating hours. Special permissions are possible Mo-Fr 0600-2200, Sa 0630-2200, Su 0730-2100. Reduced operational hours for VFR traffic.
- 1.9 The charges are payable in Swiss Francs prior to take-off at the latest by cash or credit card. For regular airport users a credit facility can be available after approval. A processing charge of CHF 25.- is due for bills which will be not paid by Direct Debit. Standard credit terms are within 10 days net.

2 Landing Charge

- 2.1 The landing charge is levied for all aircraft landings at Airport St. Gallen-Altenrhein, also for go-around and touch-and-go.

- 2.2 Approaches without landing (go-around) are only free of charge, if instructed by the tower in case of ATC safety.
- 2.3 The landing charges are calculated on the maximum take-off mass (MTOM) of the aircraft as stated in the Airworthiness Certificate, the Aircraft Flight Manual or in any other equivalent official document.

The following landings are exempt from the landing charges:

- a) Flights of officials of the Aircraft Accident Investigation Bureau in course of their duties
- b) Flights of Air Rescue Organisations in the course of their duties

3 Approach Charge (Skyguide SA, Geneva)

Approach charges are based on the tariffs of Skyguide SA, Swiss civil and military air navigation services provider.

4 Noise Surcharge

- 4.1 For each landing, there shall be a surcharge on the landing charge payable in accordance with the noise class of the aircraft. The assignment of propeller-driven aircraft with a MTOM not exceeding 5.7 mtom into one to the noise classes A to D corresponds to the classification established by the FOCA resp. ICAO. Jets, which do not correspond to the ICAO Classification Annex 16 Chapter 3, are subject to the noise surcharge. The classification of foreign aircrafts shall be determined in accordance with the classification of the particular type. Aircrafts without official classification are classified in group A (propeller-driven) or group E (jets).
- 4.2 For aircrafts of the Austrian Noise Category 4 (AT6, BE33/35/36, C36, C210, E230, Morane, PARO, PC7/9/12, PTS1, P-2, P-51 Mustang, T28, WACO, YK55, similar aircrafts) noise surcharge class A is applicable. Aircrafts of this category have a limit of three (3) flights per day.4.3 In the event that a party lays claim to a more advantageous classification, the party shall provide proof to the Airport Authority by way of appropriate documentation within 60 days. After receipt of the documentation the Airport Authority shall reimburse the excess noise surcharge.

5 Passenger Charge

- 5.1 A charge shall be payable for each passenger who is transported in an aircraft which takes off from the airport.
- 5.2 Passengers exempt from charge
 - a) Children under the age of two
 - b) Passengers in direct transit
 - c) Passengers on sight-seeing flights, when the following landing takes place at

St. Gallen-Altenrhein

- d) Passengers on non-commercial flights, when the first landing following take-off takes place at a Swiss airport
- e) Aircraft crew members who, not requiring a ticket, are transported to another airport for the purpose of service on a flight from that airport (dead heading)

6 Aircraft Parking Charge

- 6.1 The aircraft parking charges are calculated on the maximum take-off mass (MTOM) of the aircraft as stated in the Airworthiness Certificate, the Aircraft Flight Manual or in any other equivalent official document.
- 6.2 The Airport Authority determines the parking position of the aircraft.
- 6.3 Home based aircrafts are exempt from the aircraft parking charge.

7 Ground Handling Charge

Ground handling for scheduled/non-scheduled, business aircrafts and cargo see annex C.

8 Surcharges for services

Surcharges are due for services, ground handling and air navigation performed outside of the regular operating hours. The surcharges are based on estimated time of departure (ETD) and actual time of arriving (ATA), charges see annex C.

- a) Surcharges for services performed outside of the regular operating hours
